

Disaster Preparedness

Your data can be compromised by all sorts of bad things Mother Nature can throw at you. This year can be active with earthquakes, floods, tornadoes, hurricanes, fires, malfeasance and more. Thoroughbred's Data Back-up Services provide the protection you need to keep your business running in case of a disaster.

Thoroughbred's Cloud Back-Up Services offer remote back-ups for all Thoroughbred-based Software Systems and Databases. Back-ups are done off-hours and can be tailored to your business requirements including off-site storage.

Thoroughbred has 3 Levels of Thoroughbred Back-up Services to choose from.

Contact us for back-up protection. It could save your business.

Thoroughbred keeps your business Running Better!
