

Thoroughbred Off-Site Backup Services

Snow, Ice, Floods, Fire, Wind or man-made Disasters are something you can't control. You need a solid backup plan.

Data backup and availability is an absolute requirement to keep your business running even in an emergency.

Thoroughbred's Backup Services are available for all Thoroughbred-based systems providing a safe, off-site copy of your system.

Backups are done off hours and can be tailored to your requirements. There are several levels of Thoroughbred Backup Services to suit the way you do business.

Back up your system now and save on the high cost of having your data recovered, if that's even possible.

Give us a call, it could save your business.

Thoroughbred keeps your business running better!
